Kaliswari Incubation Centre (KIC)

Kaliswari Incubation centre (KIC) is established to facilitate interaction between academia and industries, spread innovative and entrepreneurial spirit among students, and help them to be self-reliant and to provide support for budding entrepreneurs and start-ups.

Kaliswari Incubation Centre carries out the following functions.

i) Industry Collaboration

KIC will identify the potential incubators in the private sectors (Industry/Institutions) and a formal Memorandum of Understanding (MOU) shall be signed to gain technical support, training and mentoring.

ii) Infrastructure for Innovation:

KIC will provide physical infrastructure like working space, furniture and ICT facilities to conduct networking, consultation periodic meetings and guidance for the budding entrepreneurs.

iii) Support for Idea creation

- KIC will organize Business plan competitions, Innovation competitions, Workshops, Boot camps, Seminars, Conference and Brainstorming sessions to develop unique business ideas and innovations.
