Q8	Sustainability of evaluation system adopted under syllabus
Q9	Job readiness capability of syllabus
Q10	Value content of the syllabus in making the students good citizens

Course wise Suggestions :

1. 21UCSC41 - To synchronize theory and practical aspects effectively, ensure each theoretical concept is immediately followed by practical implementation exercises, fostering a seamless transition between learning and application throughout the course.

2. 21UCSC4P - Integrate recent trends in Java development

3. 21UCSJ61 - Encourage students to explore diverse project platforms such as gaming, IoT, and FullStack development with modern frameworks like Flutter to broaden their skill set and adaptability to industry trends. Initiate project preparation and guide allocation from the 5th semester onwards to ensure ample

time for comprehensive project planning and execution, fostering holistic learning and professional development.

4. 21UCSO61 - Students need a practical class for this subject

5. 23PCSC21 - warehousing text book is older version, to be recent edition for more acquisition of knowledge

6. 23PCSC22 - Implemented TANSCHE syllabus has very old techniques of Adv, Java. Updation in the techniques is required

7. 21PCSC41 - Include IoT practicals to engage students in sensor integration and data communication. Equip the lab with hardware components for hands-on IoT project implementation.
