ABOUT THE COLLEGE

Sri Kaliswari College was established by Sri Kaliswari Trust, comprising a team of munificent philanthropists, in the industrial town of Sivakasi in 2000 with a vision and clear cut objective of imparting quality higher education to the students in rural areas.

Our College offers 17 Under Graduates, 9 PostGraduate programmes, 104 certificate and 5 diploma courses are also offered for enhancing the employability of our students.

Our college was re-accredited with 'A+' grade (CGPA)3.41 in 4th cycle by NAAC in 2024.

ABOUT THE DEPARTMENT

The Department of Computer Science was established in 2000, with a view to empower the students of Virudhunagar District to confidently face the computer era. The Department has well-equipped labs and a dedicated team of faculty members.

To enhance the skills of the students, the Department organizes seminars and symposia. These help the students to get knowledge and better experience in their related areas.

ABOUT INFOSEA 2K25

The Department of Computer Science is organizing a one-day state-level

Inter-Collegiate technical meet - INFOSEA 2K25 on 09-01-2025 to expose the multi-faceted skills of the students.

This symposium aims at stimulating the dormant energies of students so that they can showcase their talents and skills in various competitions.

We look forward to your students active participation!
