## TWENTY THIRD ANNUAL REPORT

2022-2023

Warm greetings to all present here!

Respected Secretary, Distinguished Chief Guests, illustrious members of the Managing Committee, Members of the Academic and Administrative Staff, Guests, Media Personnel, Well-Wishers, and my dear students, I deem it a great privilege to present before you the Annual Report for the Academic year 2022 - 2023 on the auspicious occasion of the 23<sup>rd</sup> Annual Day celebration of our college. Achievements of this year sprung from the dedication and team spirit of the students, faculty members and the members of the Managing Committee.

### ABOUT THE COLLEGE

SKC, established by Kaliswari Trust in the year 2000 and has completed 22 years of Academic Excellence. The college provides quality education and making a remarkable contribution in the field of Education as one of the most sought-after colleges in the state of Tamil Nadu. The status of the college is strengthened by receiving the 2(f) on 1, June 2006 and 12 (B) on 4 October 2010 by UGC. Due to globalization, technological revolution, knowledge explosion, and the fast-growing needs of industry, the purpose and scope of higher education have been redefined to include components of employability, research, innovation, and social relevance. 'Academic flexibility' is now integral to ensuring quality education. Hence SKC was conferred with the Autonomous status by University Grants Commission in March 2012. In the annals of Sri Kaliswari College, it is remarkable to note that in the third cycle of NAAC Reaccreditation, the college was awarded with 'A' grade with the CGPA 3.11.

The development of a quality educational system largely lies on the committed members of the faculty, adequate infrastructure, supportive administration, large pool of

learning resources and hardworking and brilliant students. You will be glad to hear that our college primarily focuses on making our students a good human being and also a successful professional through a strategic teaching of both theoretical and practical aspects during the course of education. I am highly encouraged to share that many of our students, who have emerged from our college with flying colours are now occupying higher positions in several renowned organizations both in India and abroad.

The academic year commenced on 6<sup>th</sup> July 2022 with the student strength of 2114- in the Under-Graduate 1934 and 210 students in the Post-Graduate Courses. Among them, 60% are girl students and 50% are First Graduation Learners. The activities of the academic year 2022-2023 were meticulously formulated and excellently executed by our teaching fraternity to transform the students into respectable and responsible citizens of our country.

The college as an 'Autonomous College' of Madurai Kamaraj University has engaged itself in the process of curriculum enrichment and enhancement. Starting with a

minimum number of three courses, Our College now offers 17 programmes at the UG level and 9 programmes at the PG level at present (**Table 1**). Reaping the benefits of Autonomy, the college offers a wide range of academic programmes including Value added courses and inter-disciplinary courses to make education more relevant and job-oriented. It is our personal dream to ensure that all the undergraduate departments become postgraduate departments and very soon to offer doctoral degrees to provide students with a seamless academic transition with varying points of exit according to the students' needs.

#### **GOVERNING BOARD, ACADEMIC COUNCIL AND BOARD OF STUDIES MEETINGS**

To ensure proper management of academic, financial and general administrative affairs, the College convenes various Statutory Body Meetings every year such as Curriculum Development Cell, Board of Studies, Academic Council and Governing Board. The Governing Board, which gives final approval for the academic activities, met on 28.02.2023.

#### **1. CURRICULUM**

At SKC our commitment to Quality education and training, propelled the growth of our students. We shape our students by honing their skills, instilling a sense of responsibility in nation building by cherishing humane values. For the Empowerment of Student community through Lifelong Learning and Inclusiveness, Outcome Based Education (OBE) system was implemented at SKC. To ensure a well-structured education system (i.e. PEOs, POs, COs, Course plan), the curriculum is designed using the constructive alignment approach by all the Departments. To achieve the expected outcomes in Knowledge, Skills and Attitude of the students, Blended Teaching, Learning and innovative Evaluation Methods were adopted.

In addition to the regular curriculum, we also offer 34 job-oriented Certificate courses for UG students. Intending to nurture the moral caliber of the students, the College offers Certificate Courses related to Gandhian Philosophy for all the first UG students. It is a privilege to our college to conduct a Certificate Course titled 'Safety Matches and Fireworks' for the past eighteen years. For PG programme, 20 Certificate courses are offered exclusively to prepare the students to appear in National and State Level examination like NET and SET. In addition, two PG Diploma courses are offered. The Department of Biotechnology offers a Diploma Course on "Water Quality Analysis". This is a unique course, which aims at creating trained personnel in the field of water treatment. The Department of Chemistry offers a Diploma Course on "Forensic Chemistry". This course prepares students for crime scene

investigations by having them assess and handle the necessary Criminalistics practices. **(Table 2).**

The college has been maintaining its academic excellence and adhering to the academic calendar; the college conducted the examinations and declared the results on time. The consolidated report of the results of the summative examinations conducted during November 2021 and April 2022 is commendable **(Tables 3 and 3-A)**, and the total marks scored by the out-going students attest to it **(Tables 4 and 4-A)**

#### **Tutorials and Remedial Classes**

All the Departments conduct Remedial classes to students who are below the expected level to build subject competency and to help them cope up with the advanced concepts. Tutorial classes are also given to the slow learners by paying individual attention, to motivate and help them academically.

#### **INTERNAL QUALITY ASSURANCE CELL (IQAC)**

The Internal Quality Assurance Cell (IQAC) of our College is responsible for the development and application of quality benchmarks and parameters for the various academic and administrative activities of our College. It develops a heightened level of clarity and focus in institutional functioning. It coordinates internal communication to facilitate greater policy implementation and quality assurance towards its stakeholders. Every year, it collects feedback responses from students, parents and other stakeholders on quality-related institutional processes. The IQAC prepares the Annual Quality Assurance Report (AQAR) of the College based on the quality parameters and assessment criteria developed by the relevant quality assurance body in the prescribed format **(Table 5).**

#### **Quality Initiatives taken by the IQAC:**

- ❖ The cell has organized various quality oriented programmes as a Faculty Development Programme on "Manage your Time & Stress", Train the Trainers Programme, Two Workshops on "NAAC under Revised Accreditation Framework", "Quest for Teaching Excellence", and an Administrative Training Programme for non-teaching staff on "Stress Management".

#### **TEACHERS' PROFILE**

The total number of the teaching staff in Sri Kaliswari College is 138. Among them 130 are Assistant Professors, eight are Associate Professors, Five Guest Faculty, 43 members of the teaching staff are Ph.D. holders, 42 teachers are qualified with NET & SET and 98 hold

M.Phil qualification. This year, three of our teaching faculty, Dr.L.T.Parvathi Head, Department of Chemistry, Dr.S.Santhi, Assistant Professor of English, Dr.M.Murugalakshmi Assistant Professor of Chemistry were awarded with PhD. Degree Three of our teachers are awaiting PhD. viva voce. Two of our teaching faculty are qualified with National Eligibility Test. (**Table 6**). Thirty-two of our teaching faculty are pursuing PhD. Adding to it, many of our teaching faculty members are pursuing several Online and Offline courses to cope up with the expanding horizons of research (**Table 7 & 7 'A'**).

## **2. FACULTY'S EXPERTISE ENHANCEMENT**

### **2.1 Funded projects**

Since we envision SKC to be a research-oriented institution, we have begun to lay greater emphasis on research. Significant and increasing volume of research is being undertaken by many departments.

The PG Department of Commerce organized a Two Day National Seminar funded by the ICSSR on the topic "Sustainable Global Business: Current Trends and Challenges" on 24.08.2022 and 25.08.2022. Around 256 students actively participated and presented their research papers in the seminar.

The PG Department of Commerce organized a Two Day National Seminar on "Designing Samples and Deciding Statistical Tools for Social Science Research" sponsored by ICSSR on 21.09.2022 and 22.09.2022. Nearly 18 research scholars, 25 staff members and 256 students from 11 Colleges participated and got benefitted from the programme.

The faculty members have been actively engaged in research activities by receiving financial support from UGC and other funding agencies. Six of our Faculty members have applied for ICSSR Major & Minor research projects and five of our Faculty members have applied for organizing Conference, Seminar, Workshop & Training Programmes (**Table 8 'A' & 'B'**). In addition to it, with the consistent guidance from faculty, two students from the Department of Computer Applications, 16 students from the Department of Chemistry, and two II M.Sc. Botany students have also applied for Students Research Project to TNSCST. Among them two of our II M.Sc Chemistry students S. Palanikumar, K.Lakshmi Shobitha project proposals are sanctioned by the TNSCST. Hearty Congratulations to them. (**Table 9**).

### **2.2 Faculty Acting as Resource Persons**

The institution believes that Interactive programmes and scholarly conversation in new areas of knowledge facilitate a greater learning atmosphere and build intellectual

ambience and thus many of the teaching faculty of our college has rendered service to other educational institutions by serving as Resource Persons and by giving Guest Lecturers in the seminars and conferences and by sharing their expertise in the Boards of Studies Meetings held at various autonomous colleges affiliated to different universities. This academic year, 45 teaching faculty were invited as Resource Person at various Educational Institutions. **(Table 10 & 10 'A')**.

### **2.3 Refresher Course, Faculty Development Programme, Conferences, Seminars attended by Faculty**

To bring out a healthy enhancement and intellectual environment, faculty members were continuously encouraged to participate in Orientation Programmes, Refresher Courses and Faculty Development Programmes to expand their subject expertise. They are motivated to take part in International and National conferences and present papers. **(Table 11 & 12)**. They are also encouraged to participate in Workshops and Webinars to update their knowledge **(Table 13 & 14)**.

### **2.4 Research Activities**

During the recent years, research has gained special attention at SKC. All the Faculty have made significant efforts in order to boost the research output of the College and promote the research culture. Research efforts of faculty broadly revolve around Publications of research papers in National and International Journals, and as Chapters in Books. The teachers present papers at various conferences and seminars. These continuous and on-going research by faculty members help SKC in building a focussed academic engagement process.

In addition to that, nurturing vibrant Research Culture among the Faculty members, Research Forums have been established in the Departments and faculty members are encouraged to present papers in the forums. Research paper presentations on recent trends are followed by interactive sessions **(Table 15)**.

### **Publications**

Publication of textbooks by the teaching faculty of Sri Kaliswari College is a regular phenomenon. Eight Books have been published in this academic year **(Table 16)** and our teaching faculty have published 76 research papers in reputed International and National Journals, Book Chapter and Conference Proceedings **(Table '17', '18' & '19')**.

Through an In-house Peer Reviewed Annual Journal, *Trends in Kalis Research* (ISSN: 0974-70X), SKC provides an excellent opportunity for Research not only for its faculty but also extends its research arena by inviting scholarly papers from other academicians. Dr. Dr.O.Muthiah, Professor, Department of Tamil, Gandhigram Rural Institute, Gandhigram and Dr. G. Baskaran Professor, School of English and Foreign Languages, Gandhigram Rural Institute, Gandhigram are the Peer reviewers. In this year Volume XIV is awaiting its publication. It encases 39 research articles – 23 research articles in Tamil and 16 in English. Subsequently, the journal is made available for wider readership on the college website, ([www.kaliswaricollege.edu.in](http://www.kaliswaricollege.edu.in)).

### **3. SKILL DEVELOPMENT ACTIVITIES FOR STUDENTS**

SKC is devoted to preparing students for the competitive and changing world through frequently organizing skill-building and capacity development programs. Conducting Guest Lectures, Workshops, Seminars and Conferences at the International, National and State level is a regular feature of Sri Kaliswari College to promote intellectual ambience on the campus. The sessions for capacity development and skill enhancement programme are conducted by resource persons from various Universities, College, Corporate Sectors and prestigious Educational and Research Institutions.

#### **3.1 International and National Level Conferences**

To improve the quality in teaching and learning, five Conferences at the National and International levels were organized to enhance the skills of the students and also to meet the changing requirements of the industry. (**Table 20**).

The Department of English joining hands with iSPELL (Indian Society for the Promotion of English Language & Literature) organized a Two-Day Management Sponsored National Conference on “Postmodern Voices & Transdisciplinarity in English Language and Literature” in Hybrid Mode on 19.10.2022 and 20.10.2022. Nearly 180 participants including Professors, Research Scholars and Students from 15 States attended the conference.

The Department of Biotechnology & Botany organized a Two-day Workshop on "Bioinformatics: Tools and Techniques" on 09.03.2023&10.03.2023. 55 participants participated in the workshop. (Table 21).

### **3.3 Industry-Academia Interface and Guest Lectures:**

SKC has a synergistic relationship with the industry. We have moved beyond the phenomenon of 'working with employers' towards the concept of 'working with partners'. This collaborative effort between the two has been dynamic and rewarding. It has helped the students to get a continuous update on the challenges in the corporate world and teachers also get an opportunity to enhance their teaching-learning process. Various Guest Lectures are arranged through these institutions to provide the students with a completely different perspective of the industry. In order to stay updated with the emerging trends, experts from

reputed institutions are invited to deliver Guest Lectures on their area of expertise. In this academic year, 76 Guest Lectures and expert talks' programmes were organized. **(Table 22).**

### **3.4 Induction Programme**

Our college organized an Eight Day Induction Programme for the fresh entrants to the UG Programme as per the UGC guidelines before the commencement of the semester classes from 11 July to 22 July 2022. A total of 630 students participated in this programme. Entry and Exit level tests were conducted to evaluate their proficiency both in English and in their chosen subjects at the college entry level. Guidance programme was arranged for them on 11.07.2022. Dr.Soundra Mahadevan Professor & Head, Department of Tamil Sadakathullah Appa College, Tirunelveli, was the Resource Person.

### **Capacity development and skill enhancement activities**

SKC is committed to organize capacity development and skill enhancement activities to equip the students to face the challenges in this competitive world. The sessions and trainings for capacity development and skill enhancement are handled by resource persons from corporate sectors and research institutions. The Department of English in collaboration with the Inspire Career Development Centre organized certificate distribution function for the student Interns who underwent Internship in Journalism and Mass Communication on 06.09.2022. "Kaliswari Times", students News Bulletin edited by Mr.S.Annamalai, Former Deputy Editor, The Hindu, Madurai was also released on the same day. **(Table 23).**

### **Soft Skills Development Programme**

Soft skill development programme is offered by the Department of English. Soft skill training is provided to the students to inculcate skills such as communication, teamwork, problem solving, emotional intelligence, and a positive attitude. The programme helps the students in their career advancement. Activity Based Teaching Methodology is implemented to ensure the active participation of the learners. The effectiveness of soft skills training is highly felt as large number of students have got placed in reputed firms. A Series of soft skills Trainings in Personality Development, Interview Techniques, Stress Management, Body Language, Building Self Esteem, Self Confidence and Emotional Intelligence were organized to enhance the soft skills of the students. Duration of the programme is 30 hrs. The programme is offered for the UG and PG final year students. **(Table 24).**

## MOUs

Partnerships and tie-ups also help the institution open a window of opportunities for the students by allowing them the means to gain global exposure during the course of education. The college has MoUs with various premier institutions in India, facilitating student exchange/internships, collaborative events to promote research. So far our college has 34 functional MoUs, collaborations and linkages with academic and research forums. It is our proud privilege to state that during this academic year, 20 new Memorandum of Understanding are signed with many prestigious Institutions and Industries with the aim of establishing high quality teaching and training to the students' community (**Table 25**).

- ❖ MOUs have been signed with The Institute of Cost Accountant of India, Madurai. The students are given a chance to undergo these courses and to appear for the examinations conducted by CMA Wing of Madurai.
- ❖ We have tied up with leading companies directly and through State owned ICT Academy. As part of the ICT Activity, our college partnered with Atos Syntel S' Prayas Foundation to expand, develop and evaluate the skill of the students. A one-month training programme on Youth Empowerment was initiated for the students.
- ❖ Having tie up with Spoken Tutorial Project, IIT Bombay, online certificate courses namely "C" C++, Python, Arduino, Avagadru, JMo1, Cell Designer were offered and 2060 students have enrolled for the course. (**Table 26**).

## Faculty Exchange

SKC has collaborated with various eminent colleges for the Faculty Exchange Programme to get exposure to different cultures, study environment and learn cross-cultural management which is very important in this era of globalization.

- ❖ The Department of Mathematics of our College arranged a Faculty Exchange Programme- One Week Workshop on "Octave Programming" (Virtual Mode) with the Department of Mathematics, E.M.G.Yadava Women's College, Madurai, from 17.10.2022 to 22.10.2022. Mrs.N.Maheswari, Assistant Professor of Mathematics, handled classes to 55 III B.Sc Mathematics students of E.M.G.Yadava Women's College, Madurai (**Table 27**).

## Cluster of Colleges Joint Faculty Programmes

To encourage sharing ideas, experience and expertise, the colleges entered into the Virudhunagar District Cluster of Colleges Joint Faculty Programmes. The Departments of Mathematics, English, Physics and Commerce have organized and attended the programmes

and got benefitted (**Tables 28, 29, 30 & 31**). This collaboration and partnerships add value to the professional development and strengthen the academic profile of the students.

#### Academic Fests

Academic and Cultural competitions enabled students to realize their potential, expose their talents and build organizing and leadership skills. Each Department in our college has its own Association which is guided by the faculty advisors and is active throughout the academic year. The Association Activities provide a platform for the students to display their intellectual and creative skills and thereby inculcate a sense of confidence in them. Under Associations, Intra-departmental and Inter Departmental competitions were arranged and students are encouraged to participate in it. (**Table 32 & 33**). Winners of various activities are honoured with Books, Shields and Certificates. Further to develop organizing skills, public relations, networking, leadership, mentoring, conflict management and community building Intercollegiate meets have been conducted by the Departments of Tamil Information Technology, Mathematics and Physics and thereby a healthy rapport is being maintained with the nearby colleges (**Table 34**).

#### 3.6 Industrial visits, Field trips and Excursions

Industrial exposure training is offered to the students. Fieldtrips are arranged to develop Students' Organising, Questioning, Note-taking and Reporting skills. Through Industrial Visits students get insights on the Internal working environment, Industry Practices and latest technologies. Hence Industrial visits, Field trips and Excursions have been arranged for the students to provide field training. (**Table 35 & 36**).

#### Hands-on- Training

Hands-on- Training is intended to impart knowledge of the technological advancements in the real world and to equip the students to utilize the novel skill for the career advancement. The Departments of Biotechnology and Botany organized Hands-on-Training programme on "Spirulina Cultivation" on 23.08.2022. Dr. S. Karthikumar, Associate Professor, Department of Biotechnology, Kamaraj College of Engineering and Technology, Virudhunagar, was the trainer.

#### 3.7 Sports and Games

Sports and other physical activities are valued equally with academic endeavours because they help students build mental fortitude, boost self-esteem, and cultivate a positive outlook.

The Department of Physical Education divided its activities into two broad categories i.e., intramural & extramural. The sports stars of the college have been consistently performing well. Participation and winning in basketball, chess and weightlifting is greatly encouraged. Coaching, Training and fitness classes are systematically organized for the sports teams. The teams participated at various levels like Intercollegiate, Inter-zone, District and State Level tournaments throughout the year and bagged prestigious prizes. In addition to that, the physical Education Department initiated the Yoga and the Meditation club to stimulate the students to have balanced mind set up **(Table 37, 38 & 38'A)**.

### **Impact on Student**

The college, through extension activities, transforms the students as leaders of social change to provide lasting solutions to social problems. Engaging the students in extension activities has created a sense of selfless service-mindedness among the student community. It helps to instill social responsibility, groom overall personality and create awareness on social issues.

### **Impact on the Society**

The interventions through extension activities have resulted in improved literacy, reduced drug abuse, Hygienic surrounding, improved health, and cleanliness. The institution is moving forward with a promising goal to ensure the growth of the society and environment.

### **4.3 National Cadet Corps [NCC]**

Among all the Arts and Science Colleges in Tamilnadu under FSFS Scheme, Sri Kaliswari College is the first self-financing institution to get approval with as sanctioned strength of 80. The National Cadet Corps (NCC) conducts activities towards nation building and personality development every year that include squad drill practice, training classes, annual training camps, social awareness drives, prestigious rallies, and adventure activities in which cadets participate enthusiastically. In the academic year 2022-23 cadets took part in a wide variety of activities, and achieved many laurels to their credit. A Career Guidance Programme entitled "A Gateway to Indian Coast Guard (ICG)" was organized on 21.07.2022. Lt.C.Krishnan, Assistant Commandant, Indian Coast Guard, Ministry of Defense, was the Chief Guest. Totally 800 (UG & PG) students attended the programme **(Table 46)**.

### **5. Students Participation**

The Kaliswarians regularly attend Seminars, Workshops, Conferences, Symposia conducted outside the campus and have presented papers in the Intercollegiate programmes arranged by various educational institutions **(Table 47 & 47 'A')**. They have participated in Intercollegiate competitions like Mime, Quiz, Poem Recitation, Essay Writing, Verse Writing, Short Film making, Elocution, Pencil Drawing, Rangoli, Ad-Act, etc., Such practices have helped them to evaluate their capacity and improve it to face the challenges in the competitive job market **(Table 48)**.

## 5.1 Student Support Service

### Financial support

Kaliswarians get financial support from the Government, NGOs & various banks (both nationalised and private) (**Table 49, 'A', 'B' & 'C'**). Further every year, through the Alumni Fund (**Table 50**) and also from other private trusts financial support has been extended to the needy students.

### Financial support through Management

This year the magnanimous management has finically assisted four of our students who have come from poor financial status with excellent academic credentials. Full fee concession that includes Tuition fee and Examination fee worth of Rs 66,461 was sponsored by the management. Sports quota facility is provided to the students based on their achievement in the field of sports. Under this scheme, seven students are given admission. The magnanimous Management has spent a Sum of Rs 1, 38,450, towards students' tuition fee. Management quota is given to the outstanding students who have extraordinary scores. Seven students are given admission under this Quota. A Sum of Rs 1, 00,630 is spent by the magnanimous management. We thank the noble management for rendering the financial assistance to the poor children and thereby ensuring to give them a better future (**Table 51**).

## 6. Infrastructure

The College's infrastructure has witnessed several architectural advancements over the years since its inauguration. The ever growing number of programmes and students admitted into such programmes every year requires development in infrastructure and the College Management pays special attention to such amenities. The college meets the requirement of modern educational institution. The college ensures adequate availability of physical infrastructure and ensures its optimal utilization in effective teaching and learning and extracurricular activities. College has smart class rooms with projectors and roll down screens to facilitate teaching beyond the traditional style. The campus has excellent eco friendly infrastructure, Wi-Fi enabled computer lab, spacious and well-furnished class rooms, air-conditioned Conference Hall, fully-equipped Language & well equipped Science laboratories, highly modernized& updated computer labs with internet facility, spacious open auditorium ,sprawling playground and excellent gym with all necessary equipment.

The college has two modern state of art seminar rooms, fully air-conditioned, where various academic and cultural events are organized. CCTVs have been installed throughout

the college to ensure discipline and safety within the premises. The college has its own RO Plant which provides fresh and uncontaminated water. Further to provide easy banking facilities to all staff and students, Tamilnadu Mercantile Bank branch with ATM centre is placed within the college premises. College has ample space to meet the parking requirements of the staff and the students.

In order to meet the ever growing needs, the magnanimous Management graciously rendered financial assistance for this year too. In this academic year, an extra feather was added by constructing magnificent Audio-Visual Hall (AV), equipped with the latest audio-visual aids. Audio-Visual Room equipped with Computer, HG VC Recorder, Projector, podium a smart board and a sound system discharges. A sum of Rs 3, 83,500 was spent for this purpose. The faculty and students have full access to this AV hall for making visual presentations and for arranging Virtual seminars and conferences. Lecture Capturing Studio is an amazing way to extend learning materials beyond the walls of the classroom. Hence, a sum of Rs 3,00,000/- is spent to establish the LCS room to record lectures and make it available in our college YouTube channel.

Teachers are struggling to connect with students using old, outdated technology. Students grew up in a smart and connected world. In order to make learning more creative, innovative and informative, Smart Board helps in Interactive classroom learning, fostering better retention. Thus a sum of Rs 12, 85,020 is spent for purchasing 9 Sonic Interactive flat Panel Board to encourage active learning in students. A new EB room is under construction This room is meant to house electrical equipment, providing a space that is both safe and secure for the operation and maintenance of the electrical equipment. A sum of Rs 74,76,866 is spent so far for the construction. A specific Heat Liquid Equipment is purchased newly at the physics laboratory at the cost of Rs. 12,036 to measure the heat of chemical reactions or physical changes as well as heat capacity. A standard diagnostic tool, Digital multimeter equipment is purchased at the cost of Rs. 4,071 to measure two or more electrical values—principally voltage at the physics laboratory. Sports play an important role in shaping up the personality and fitness of the students. Cohesive sports environment matching global standards is provided to them at the campus. This year new sports equipments at the cost of Rs 1, 69,101 is purchased to keep students engaged and physically fit.

To assist the research activities of the students and staff, additional books are added in the central library at the cost of Rs1, 00,000 /-. To give Comfortable and well-fitted classroom a sum of Rs.1.29.800 was spent for adding extra furniture. Thus in terms of infrastructure, SKC is one of the best colleges in the country matching international standards. We thank the noble management for spending a sum of Rs. 94, 63,394 enormously to provide ample facility to meet out growing needs for the academic year 2022-2023.

### 6.1 Library

A rapid advance in Information and Communication Technology is changing the library and information services drastically. Like previous years, this year also focus was on implementation of latest information and communication technologies in its services. As quality higher education is the need of the hour, Hi Tech library is established. The library is fully automized and the transactions are made only through the computers. Online Public Access Catalogue is available. Internet facility is available in the library. Reprographic facility is available on paying a nominal amount of 1.00 Rupee per page. Inter Library Loan is possible as our library is a member of Developing Library Network (DELNET), National Library and Information Services Infrastructure for Scholarly Content (NLIST), National Digital Library(NDL). Current Affairs awareness is updated regularly through clipping service. (Table 52 & 53)

This academic year, our college Subscribed to Pearson E-library. It is a comprehensive digital learning solution to empower learners across all disciplines. The subscription helps the students to have access their course books as per their convenience, from anywhere, on any device. Top-selling competitive examination books, UGC NET/SET/JRF Preparatory books, Subject books are purchased.

### **Innovative Teaching Practices and New Methods of Teaching**

- ❖ SKC has always been a Techno-friendly Institution, and we introduced the Lecture Capturing System (LCS) in 2022, as a part of digital transformation to enhance the learning experience of the students and the teacher to prepare the e-content material. Through LCS, students can access their education content anytime, anywhere and can learn at their own pace by simply logging in to the SKC-OLMS. (Online Learning Management System)
- ❖ Aiming to facilitate world class exposure to the students, Innovative Teaching Methods - Video Conferencing Sessions, Confluence of Classes, Blended Learning and Flipped Classes have been adopted to support the learning needs of the rural students.
- ❖ Students have gained knowledge by the Peer Teaching and the Interactive Sessions organized by the Alumni as well as Senior Students.
- ❖ Team Teaching and Crossing the boundaries are encouraged for better understanding of the concept.
- ❖ Industrial exposure training is offered to the students.
- ❖ E-content is a pre-requisite for integrating ICT in Education, the faculty members are supported to develop E-content materials to create a digital teaching-learning environment. (Table 56)

### **CLUBS & CIRCLES**

An array of clubs, Circles and Forums namely Service Motto Circle, Faculty Improvement Circle, Student Welfare Circle, Knowledge Enriching Circle, Counselling, Holistic

Development Circle, Keep It Fit Circle, Active Vigilance Circle, Human Relation Bridge Circle, Tapping the Hidden Talent Circle and Homely Residence Circle are functioning effectively in our college for the betterment and the holistic development of the student community.

### **SERVICE MOTTO CIRCLE**

#### **Youth Red Cross**

The Youth Red Cross promotes health care on the Campus. The College Management has appointed Dr.Ponmoorthy Raja as the College Doctor to treat the students and staff during the college working hours. The Doctor visits our campus daily during the lunch break and treats the sick and distributes free medicines **(Table 57 & 57 'A')**. The Doctor visits the girls' hostel and the boys' hostel on alternative three days every week.

#### **Rotaract Club**

The Rotaract Club of the college takes up the responsibility of creating awareness of community needs. It formulates and develops appropriate activities for serving the community. This year they conducted installation function for the office bearers **(Table 58)**.

#### **Junior Jaycees Wing**

It works with the goal of creating awareness and motivating young minds to practice self-care and community service. This year, the club organized a multitude of activities like Guest Lecture on "Globalization", Mega Career Counseling Programme for Chartered Accountant Course, Workshop on Zumba Fitness (Learn & Earn), Awareness Programme to Ban Single Use Plastics to Instill Eco-Friendliness, and Awareness Programme on Cyber Crime to avoid falling victim to security threats in the future—and the club offers help in getting PAN Cards and Driving License. **(Table 59)**.

#### **Youth Club**

**“Learn, be concerned and serve”** is the motto of the Youth Club. The Club functions with an objective to educate students on how to become good citizens. They aim to develop leadership ability and encourage the young boys to set good examples to the community through their interest, concern and participation in community services. The club joins with Differently Abled Care cell and organizes competitions and Guest lecture programmes.

### **FACULTY IMPROVEMENT CIRCLE**

#### **The Research Committee**

The Research Committee of SKC comprises highly qualified, motivated and talented minds that have embarked on frontier careers in research and development in varied areas.

The progress can be gauged by the fact that the staff and students of the College have made steady progress in various aspects of research such as in obtaining research grants from various funding agencies, publishing research papers in UGC CARE Journals and presenting Research papers in International and National Level Seminars and Conferences. To assist the research, seed money is given to the teachers for research progress.

### **Intellectual Property Right (IPR) Cell**

Our College recognizes the importance of generation of intellectual property by its teachers and students. Intellectual property plays an important role in providing a competitive edge to any Institution. The tangible assets like inventions, designs, software, brand name and other creative & innovative ideas are more valuable than physical assets. SKC IPR Cell is committed to encourage, protect, manage and commercialize Intellectual Property such as Patent, Copyright, Trademark etc. generated through the College. The cell creates conducive environment in the academics for the development of Intellectual Property. Legal Awareness League teaches the students the role of basic legal education in their daily life. The intention is to make our students aware of various government schemes and laws of which they can avail benefits. This year Guest Lectures programs, On Campus rally and Group discussion were conducted to create awareness on legal rights **(Table 73)**.

#### **Eco Club**

The main aim of the club is to make SKC GREEN by various projects like Solid Waste Management and Campus Cleaning. Eco club plays an important role in creating environmental awareness among the students. The club regularly conducts motivational programmes to move towards a greener environment and know their responsibilities towards nature. This year the club organized Plantation of Medicinal Plants, Group Discussion, Field Visit, poster presentation and many such programmes **(Table 74)**.

### **COUNSELLING**

#### **Internal Complaints Committee**

Internal Complaints Cell intends to provide safe and harmonious atmosphere in the Institute to enable women to pursue their education with dignity. It creates awareness amongst girls students about cyber security, women's health and their rights.

#### **Students Counselling Cell**

The cell provides assistance to students having personal, emotional, social and academic problems. The cell functions with a team of experienced female and male faculty members acting as Counsellors. It offers counselling service to all the students of the college

and makes it available throughout the year. This cell aims to promote a healthy environment and emotional wellbeing of the students **(Table 75)**.

#### **INITIATING FUTURE VISION CIRCLE**

##### **Rural Entrepreneurship Development Cell (REDC)**

The Rural Entrepreneurship Development Cell (REDC) encourages student community to take up rural entrepreneurship as their career. The cell undertakes several activities for student development wherein the student gets corporate exposure while studying and develops a spirit of entrepreneurship.

##### **Entrepreneurial Development Cell**

This cell motivates the students to become enterprising entrepreneurs. To achieve this vision the cell arranges virtual Guest Lectures and Virtual Orientation programmes to the students **(Table 76)**.

##### **Institution's Innovation Cell (IIC)**

Institution's Innovation Cell was established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion in the campus. A Series of Workshop on "Entrepreneurship and Innovation as Career Opportunity", "Design Thinking, Critical Thinking and Innovation Design" and "Entrepreneurship Skill, Attitude & Behavioural Development" were organized. MHRD's Innovation Cell has awarded Two Stars in the Zone Wise Star Rating to IIC of our college **(Table 77)**.

#### **HOILSTIC DEVELOPMENT CIRCLE**

##### **Study Circle**

Study Circle is a student centred club, launched in our college with the objective of imparting Gandhian principles. A series of events like Guest Lectures, Competitions, Field Visits and Awareness Programmes have been organized by the Study Circle to familiarize students with Gandhian philosophy. Interreligious prayers have been observed during the Republic Day and the Independence Day celebrations.

To sensitize the students with moral values, I UG students are undergoing a one year Certificate course on "Gandhian Thought". In Association with Vivekananda Kendra, Kanyakumari twenty students have participated in the Youth Cultural Camp in Kanyakumari **(Table 78)**.

### **Women Development Cell & Women Empowerment Cell**

This Cell has been consistently striving towards providing a Gender-just environment for students on the college premises. The Cell has been proactively involved in raising awareness on issues of gender discrimination and in providing a nuanced understanding of gender issues through multifarious activities like guest lectures and interactive sessions. Magistrates, Doctors and Counsellors are invited to give necessary counselling to the students and the cell has been consistently motivating the girl students to empower themselves as emancipated women. This year, the Women Empowerment Cell conducted guest lecture on “Women and Work Life Balance”, Debate, On Campus Awareness Rally on “Cyber Crime Against Women” under Swachhat Pakwada, Poster Presentation on Women's Achievement, Community service and to mark Women's day celebration Fashion Show on “Women Personalities” were organized. **(Table 79).**

### **Quiz Forum**

The Club acts as the platform for the student community to think out of the box, arriving at an answer and expressing it in split seconds while working in teams to win the competition. To improve the general knowledge of the students, the Quiz Forum regularly conducts inter-departmental quiz competitions. Further it encourages students to participate in Quiz competitions at an interdepartmental and intercollegiate level. This year students participated in quiz contest conducted in schools and colleges. **(Table 80 & A)**

### **KEEP FIT CIRCLE**

#### **Yoga and Meditation Club**

Yoga and meditation club is functioning in our college to make the students understand the importance of maintaining good health both physically and mentally. Practicing yoga every day will definitely make student community gain physical strength and get rid of all physical difficulties and diseases. All the hostel students in the college are motivated to undergo Yoga practice every morning to free their minds and bodies from stress.

### **ACTIVE VIGILANCE CIRCLE**

#### **Peace Committee**

Peace Committee has been established to foster conducive atmosphere, to facilitate the use of non-violence as a means of conflict resolution and to encourage respectful intellectual discourse on social, political and ethical issues. The main principle behind this

Committee is to promote interaction between young people from a variety of backgrounds to bridge the gaps for future and to build a peaceful society.

#### **HUMAN RELATION BRIDGE CIRCLE**

##### **Alumni Association**

The College Alumni Cell has been a nodal forum for its alumni to provide constructive direction in the growth of the College in the field of higher education. Our College Alumni Cell comprises Teachers, Lecturers, Civil Servants, Literary Critics, Media Experts, Journalists, Political Leaders, Social Activists, Technologists, Managers and Entrepreneurs. It recognizes its alumni as important stakeholders in its continuing mission to provide excellent education. On behalf of the Alumni Association, Professional ethics, career development and Teacher day celebrations were organized **(Table 81)**.

##### **Parent-Teacher Association**

To foster and promote cordial relationship among the parents, a strong PTA is functioning in our college. In the beginning of the academic year, the parent teacher meeting was conducted. After the publications of the result, every Department arranges Parent Teacher Meeting. Issues such as absenteeism and the students' academic performance in the tests are brought to the notice of the parents and their cooperation is solicited for the betterment of their ward **(Table 82)**.

#### **TAPPING THE HIDDEN TALENT CIRCLE**

##### **Cultural Forum**

Talent club of the college provides an opportunity to the students to let their imagination run wild and provides them with the sight to see things in a different way. Students learn from one another and share their prowess in different aspects of art. The college provides ample opportunities to the students to develop their talents in different forms of art like music, singing, dance, drama etc **(Table 83)**.

#### **HOMELY RESIDENCE CIRCLE**

##### **Hostels (Boys and Girls)**

Full-fledged hostel facilities for boys & girls students have been established inside the campus. It provides good and safe facilities of lodging and boarding to cater to the needs of outstation students. Good and healthy food is made available at reasonable cost. Hostel students are provided with a reading room, computer room and medical room. The students are monitored with their well being by an efficient and qualified custodian **(Table 84)**.

### **Canteen**

The objective of the Canteen and meal service is to protect by reducing the risk of food borne illness, with proper sanitary conditions and preventing adulterated food. The college has two canteens separately for boys and girls where a variety of delicious, hygienically prepared food is available at subsidized rates. Whether it is breakfast, lunch, a quick snack or a cup of coffee, the canteen is where you need to head. These two canteens are accessible to staff and visitors as well. The price of the food supplied in the canteen is decided by the canteen committee and the revision of rates is possible only after strict scrutiny. The canteen and the surroundings are always kept neat and tidy. Canteen is open from 8:00 a.m to 5:30 p.m on all the working days.

### **Healthy Practices**

- ❖ Each department conducts Orientation Programme to cheer up the juniors. They conduct Talent Show to build up a healthy rapport.
- ❖ All the departments organize interdisciplinary programmes such as guest lectures, workshops, seminars and competitions through their respective Associations.
- ❖ A Cultural Forum is functioning to nurture the histrionic talents of the students.
- ❖ Alumni Association, Junior Jaycees Club, Youth Club, Quiz Forum and Red Ribbon Club conduct many self-motivating programmes for the students.
- ❖ Alumni of our college from the Department of English have taken a maiden attempt to host an Intra-Department SKC Cultural Fest with the theme “Cultural Heritage of India” for the students of the Department of English and they sponsored Rs 27600/-. They have honoured the winners with shields and certificates.
- ❖ On-Job-training and Internship provide experiential learning and make students fit for job. Study tours, field trips and excursions develop interpersonal relationship and team spirit among the students.
- ❖ The Kaliswarriors have also participated in various intercollegiate competitions and brought laurels to the college.

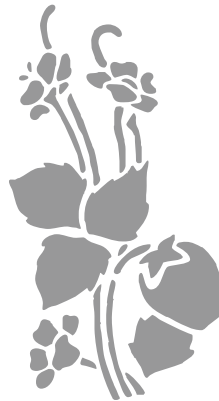

We believe that this academic year 2022 – 2023 has proved to be yet another milestone on its path towards the destination of excellence. SKC is growing at an incredible pace, marching ahead with all its might, definitely with the right spirit and in the right direction. This is possible because SKC family believes and follows the institutional core values namely Discipline, Determination, Dedication, Integrity & Trust, Interest & Involvement! Yes, the

institute has rightly envisioned becoming a role model in imparting the quality education and the most preferred choice of students, parents, faculty and industry!

Let me take this opportunity to acknowledge, the unstinted cooperation, constant inspiration and immense support extended by our Magnanimous Management, Esteemed Secretary of the College Committee, Shri. A.P.Selvarajan, Sri Kaliswari Trust. I appreciate the dedicated teaching and non-teaching staff and dear students for their iron-willed determination and unflinching support. I sincerely thank each and every one of you for the healthy team spirit exhibited in all the endeavors throughout the year.

## சிங்கர சிவகாசி

சிறார்கள் சிரிக்க வைக்க  
 சீமையெல்லாம் ஜொலிக்க வைக்க  
 சிவன் அருளால் சிவமயம் ஆக்கும்  
 தீப்பெட்டியின்றேல் தீபமில்லை  
 பாரெல்லாம் பரவசமடைய  
 பண்டிகையெல்லாம் ஆரவரிக்க  
 பிரம்மனே பிரமித்து நிற்க  
 பாரமரனின் கைவண்ணம் பட்டாசு!  
 இரவெல்லாம் பகலாய் ஜொலிக்க  
 புகலெல்லாம் வெடியாய் ஒலிக்க  
 உழைப்பாளிகளின் வியர்வைகள்  
 வானில் வர்ண ஜாலமாய் மின்னும்!  
 அடைமழை பெய்தாலும்  
 அழியாமல் நிற்கும்!  
 புயல் மழை பெய்தாலும்  
 புரளாது நிற்கும்!  
 எத்தனை சோதனையானாலும்  
 எதிர்த்து நிற்கும்!

ஆண்டு முழுவதும் ஆண்டிட  
 நாள்காட்டி அளித்து  
 அழகு அழகாய் கலைகளை  
 வெளிப்படுத்தும் அச்சகம்  
 கோடிகளைப் புரள வைத்து  
 கோட்டை மேலே ஏற்றி வைக்கும்!  
 அம்மன் கோவில் அழகாலே  
 ஊரின் அழகு கூட்டும்!  
 பங்குனி சித்திரை திருவிழா  
 மனம் தேரோட்டி மகிழுமே!  
 தன் புகழைப் பாட  
 தரணி எங்கும் தவழ்ந்து வரும்! சிவகாசியில்  
 உழைப்புக்கு மட்டும் பெயர்போனதல்ல சிவகாசி  
 அழியாச் செல்வமான கல்விக்கும் தான்!  
 தரமான கல்வியைப் பாகுபாடுயின்றி  
 தந்து கொண்டே இருக்கும்  
 எட்டாவது வள்ளல் எங்கள்  
 பிரமாண்டமான வியக்க வைக்கும்

## அம்மா

ஆராரிரோ நீ பாடிட  
ஆறதலாய் கண் உறங்கினேன்  
அரை நிமிடம் உன்னை காணவில்லை  
என்றாலும் என் அறை முழுவதும்  
இருளானதே அடுப்பறையில் வாழ்கிறாய்  
இந்த ஆசை மகனிற்காக உன்னை  
அரியணையில் அமர வைப்பேன் அம்மா...

## உழவர்

ஊரார் உறங்கும் வேளையிலும்  
உடல் கொண்டு உழைப்பார்  
அயலார் பசி போக்க தன் பசி  
மறப்பார் தனக்கென இல்லாமல்  
போனாலும் பிறர்க்கு கொடுப்பார்  
அவரே உழவர்....

## புழு

மனம் வாடியது உன் பிரிவால்  
ஏங்கிய இதயம் நொறுங்கியது  
ஏன்? என்று கேட்டேன்  
அந்த மனம் கூறியது  
காதல் என்னைப் பிரிந்திருந்தால்  
கடந்திருப்பேன்....  
பிரிந்தது நட்பல்லவா...  
என் உயிரே உடன் சென்றதென...

## காகல்

தோற்றம் கூட தோன்றா ஒன்றாகி விடும்  
தோளில் சாயும் உறவு உண்மையாக  
உள்ளபோது.... தோற்றம் தோற்றுதான்  
போகிறது... இரு மனங்கள் எதிர்பார்ப்பு  
இல்லாமல் இணையும் போது

## வாழ்க்கை கவிதை

### வாழ்க்கை

வாழ்க்கை வினாக்களாக  
மாறும் பொழுது...  
கனாக்களும் கனவாக  
மாறுகிறது.....!

### சரபம்

காக்கும் கடவுளுக்கே  
கல்லாய் நிற்க  
சாபமிட்டது  
யார்....?

M.சுரிதிகா  
III B.Com(CS)

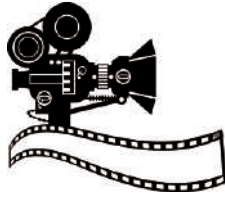

### ஆற்றி

என்னைக் காணாமலே  
காதலித்தவள்  
என்னைக் காண்பதற்காகவே  
தவமிருந்தவள்  
அம்மா.....

### புகைப்படம்

நம்மிடமிருக்கும்  
சந்தோஷங்களை  
திருடிவிட்டு  
தப்பித்து ஓடநினைக்கும்  
இனிமையான தருணங்களை  
கையும் களவுமாக பிடித்துத் தருகிறது  
புகைப்படம்.....

### வெற்றி

முந்திச் செல்வதும்  
முன்னேறுவதும்  
மட்டும்  
வெற்றியல்ல...  
தட்டிக் கொடுப்பதும்  
தூக்கி விடுவதும்  
கூட  
வெற்றி தான்!

### குழந்தை

யார் சொன்னது?  
குழந்தை பிறந்ததும்  
ஆண் தந்தை ஆகிறான் என்று....  
மீண்டும் அவன் இன்னொரு முறை  
குழந்தையாகிறான்....

## அப்பா

”கடவுள் அளித்த வரம்  
கிடைக்கவில்லை எனக்கு  
கடவுளே கிடைத்தார் வரமாக  
அவர்தான் என் அப்பா”

தோள் தாண்டி  
வளர்ந்ததும்  
தூரம் ஆனார்  
ஆனாலும்  
இன்று வரை  
மனதிற்கு நெருக்கமானவர்  
அவர் மட்டும் தான்  
“அப்பா”

## அம்மா

புரண்டு படுத்தால் நான்  
இறந்து விடுவேன்  
என்று இரவு முழுவதும்  
விழித்திருந்த சூரியன்  
“அம்மா”

உங்கள் தோள்மீது சாய்ந்து கொள்வதைவிட....!  
சிறந்த உலகம் உண்டா என்று....!!  
தெரியவில்லை எனக்கு...!  
கவிதைக்கு இலக்கணம் அம்மா என்றால்....!!  
அந்த அழகான கவிதையையே எனக்கு...!  
பரிசளித்த கவிஞரே நீங்கள்தான் அப்பா....

## இன்றைய இளைஞர்களின் பார்வையில் விடுதலை

74வது குடியரசுதினத்தை சிறப்பிக்க வருகைபுரிந்திருக்கும் சிறப்புவிருந்தினர் அவர்களுக்கும். இன்றைய மாணவர்கள் நாளை தலைவர்கள் என்ற கூற்றிற்கிணங்க நல்லதோர் இக்கல்லூரியை நாளை தலைவர்களை உருவாக்குவதற்காக நிறுவிய செயலாளர் அவர்களுக்கும் உருவாகும் தலைவர்கள் தலைசிறந்தவர்களாகத் திகழவேண்டும் என்று செயல்பட்டு கொண்டிருக்கும் முதல்வர் மற்றும் துணைமுதல்வர் அவர்களுக்கும், கரைப்பார் கரைத்தால் கல்லும் கரையும் இவர்கள் கரையமாட்டார்களா என்ற எதிர்பார்ப்புகள் நிறைந்த ஆசிரியப் பெருமக்களுக்கும் நாளை தலைவர்களாக திகழப்போகும் மாணவர்களுக்கும் என் வணக்கத்தையும் குடியரசு தின நல்வாழ்த்துக்களையும் கூறி இனிதே தொடங்குகிறேன் என் உரையினை

நான் பேச எடுத்துக் கொண்ட தலைப்பாகனது இன்றை இளைஞர்களின் பார்வையில் விடுதலை

இளைஞர் உலகம் இன்பம்  
அதுஇல்லாத உலகம் துன்பம்  
கலையும் அறிவும் யாராலே  
காணையர் கடும் உழைப்பாலே  
சிலைபோல் நின்றிருந்தாலும்  
சிந்தனையோடேநிற்பர்  
மலைபோல் மாண்பினை வளர்ப்பர்  
மாறுட மகத்துவம் காண்பர்”

என்ற கவிஞர் டில்லிபாபு கூறிய இளைஞர்கள் எங்கே? இன்றை இளைஞர்கள் எங்கே? இன்றைய இளைஞர்களின் பார்வையில் விடுதலை ஆனது எவ்வாறு இருக்கிறது? என்றால்,

குழந்தைப் பருவத்தில் இருந்தே தங்களுக்கு விடுதலை வேண்டும் என்று பட்டியலிடுகின்றனர்.

பெற்றோரின் அரவணைப்பில் இருந்து விடுதலை  
பள்ளிக்குச் சென்றால் ஆசிரியரின் வழிகாட்டுதலில் இருந்து விடுதலை  
வீட்டுப்பாடத்தில் இருந்து விடுதலை  
முயற்சிகளில் இருந்து விடுதலை  
படிப்பில் இருந்து விடுதலை ஆனால் மதிப்பெண் மட்டும் வேண்டும்  
வேலைப்பளுவில் இருந்து விடுதலை ஆனால் பணம் மட்டும் வேண்டும்  
வீட்டில் இருந்து விடுதலை

குடும்பப் பொறுப்புகளில் இருந்து விடுதலை

தனது கடமைகளில் இருந்து விடுதலை

என பட்டியல் நீண்டுகொண்டே செல்கிறது. இதனை ஒரு வார்த்தையில் கூற வேண்டும் என்றால்

My life my rule

My policy my private என்கின்றனர்

விடுதலை அதுஇல்லை விடுதலை

சும்மா கிடைக்கவிலை சுதந்திரம்

இரத்தம் சிந்தனது மட்டுமல்ல அன்றைய இளைஞர்கள் பலர் தன் வாழ்நாளையே இந்திய சுதந்திரத்திற்காகவே அர்ப்பணித்து தன்உயிரையும் விட்டனர்.

விடுதலைப் போராட்டத் தலைவர்களின் முதல்வர் என்னும் சிறப்புக்குரியவர் பாலகங்காதர திலகர்.

ஆங்கிலேயரின் கொடுமையான ஆட்சியால் பாதிக்கப்பட்ட இந்திய மக்களைப் பார்த்து மனம் பதைத்த திலகர் தன்னுடைய முழு இலட்சியம் தேசநலமே என்று தம் 21ம் வயதிலேயே தீர்மானம் செய்தனர். அந்த உறுதியைக் கடைசிவரை கடைப்பிடித்தும் வந்தார்

ஓடி விளையாடு பாப்பா என்ற பாடலை எழுதியவர் யார்? என்றால் சிறுவர்களும் சொல்வார்கள் மகாகவிபாரதியார் என்று!

விடுதலைப் போராட்ட வீரர்களில் தலை சிறந்தவர். வாழ்நாள் முழுவதும் வறுமையில் வாடியவர்.

“பாரதியார் அடிமைநாட்டில் பிறந்து விடுதலைக்காக முழங்கி வறுமையில் மாண்டார். இவர் இங்கிலாந்தில் பிறந்திருந்தால் அரண்மனைக் கவிஞராகப் போற்றப்பட்டிருப்பார். வேறு சுதந்திரநாட்டில் பிறந்திருந்தால் இவ்வளவு சிறிய வயதிலேயே இறந்திருக்க மாட்டார் என்று சத்தியமூர்த்தி கூறுகிறார்.

தன்னலமற்ற தலைவர்களை ஈன்றெடுப்பதில் இந்திய மண்தான் உலகநாடுகளைவிட முந்திக் கொள்கிறது. அவ்வாறு இந்தியா பெற்றபெரும் புதல்வர்களுள் லால்பகதூர் சாஸ்திரியும் ஒருவர்.

குள்ளமான உருவம் கொண்ட லால்பகதூர் சிறுவனாக இருந்தபோது சிலபிள்ளைகளுடன் சேர்ந்து தோட்டத்தில் கனிகளைப் பறிக்கச் செல்ல, கனியைப் பறிக்க முடியாது, ஒரு மலரை மட்டும் பறித்து கையில் வைத்திருக்க தோட்டக்காரனிடம் இவர் மட்டும் சிக்கிக்கொள்ள, ஐயா, நான் அப்பா இல்லாத ஏழை இனிமேல் இப்படி செய்யமாட்டேன் என்று கண்கலங்க, அப்பா இருந்தால் நீ தவறு செய்யும்போது உன்னைத் தட்டிக்கேட்பார். இப்போது நீ தான் உன்னைத் தட்டிக் கேட்டுத் திருத்திக் கொள்ள வேண்டும் என்று தோட்டக்காரனின் அறிவுரையை வாழ்நாள் முழுவதும் கடைப்பிடித்து இளம் வயதிலேயே சுதந்திர போராட்டத்தில் போராடத் துவங்கினார்.

திருப்பூர்குமரன், குமரன் என்றாலே இளைஞன் தானே, மிகவும் துடிப்புள்ள இளைஞராக விளங்கியவர். மெலிந்த தேகத்தில் ஏற்படும் அஞ்சாத வலுவான இதயம் இருந்தது. அதனால்தான்

அடக்குமுறை எதிர்த்துப் போராடுதல், கள்ளுக்கடை மறியல், பட்டாசுக்கடை மறியல் போன்றவற்றில் தைரியமாக ஈடுபட்டார்.

“இளைஞர்கள் என்றால்

ஆண்பிள்ளை மட்டும் தானா

இல்லை

இளைஞர்கள் என்றால்

ஆண்பெண் பாகுபாடு இல்லை”

இதனை நிரூபிக்கும் வகையில் கவிக்குயில் சரோஜினி நாயுடு, இந்திரா காந்தி போன்றோர்

## தனிமை

இனியவளே,

என் பிறப்பிலிருந்தே என்னோடு

வருபவளே!

குறை எராளம் கொண்ட எனையும்

உனதன்புக் கரங்களால் அணைத்தவளே!

உருவமில்லா உனையும் ஓர் உறவாய்

உணர்கிறேன்!

என் சுற்றத்தின் நேசம் போலியான போது

என் தோழமையே எனக்கு வேலியானது!

வியக்கிறேன் - புதவரவின் காரணமாய்

என்னால் ஒதுக்கப்படுகிறாய் சிலவேளைகளில்

இருப்பினும் நான் ஒதுக்கப்படும் நேரங்களில்

நீயே தோள்தந்து துணையாகிறாய் பலவேளைகளில்

மொழி புரியாத போதிலும் மௌனமொழியில்

எனைத் தொடர்புகொண்டு என் மனக்காயத்திற்கு மருந்தாகிறாய்!

உன் இறுக்கத்தில் சுகம் கண்ட எனக்கு

அதனை விடுத்து வெளிவர மனமில்லை

ஆயிரமாயிரம் சிந்தனைகளை உன்னுடனான

அரைநொடி மௌனத்தில் அடக்கிவிடுகிறாய்!

அலைபாய்கின்ற என்மனதும் அமைதி கொள்கிறது

உன்னோடு என் நேரங்களை செலவிடும்

தருணங்களில்.....

## குறிக்கோளுக்கு குறுக்கே.....

அனைருவருக்கும் வணக்கம். ஒவ்வொரு மனிதர்க்கும் ஒரு குறிக்கோள், லட்சியம், இலக்கு போன்றவை இருக்கும். அவற்றிற்கு இடையே உள்ளவற்றை இரு உதாரணங்களோடு கூறுகிறேன். வடிவேறு ஒரு திரைப்படத்தில் கூறியது காதல் என்பது பேருந்தில் செல்வது, கல்யாணம் என்பது விமானத்தில் செல்வது என்று அதைப் போல தான் நம் வாழ்க்கை இலட்சியமும், என்ன ஒரு திருத்தம் இங்கே நம் இலட்சியம் என்பது பேருந்தில் செல்வது போல், சிலர் பாடல்களைக் கேட்டுக் கொண்டு தாங்கள் இறங்கும் இடத்தை மறந்து விடுவார்கள். ஒரு சிலர் பாடல்களைக் கேட்டாலும் இறங்கும் இடத்தில் சரியாக இறங்கி விடுவார்கள். இதைப் போல் தான் நம் வாழ்க்கையில் இலட்சிய பயணத்தில் அனைவரும் பாடல் எனும் பொழுதுபோக்கில் மூழ்கி இருப்பதால் நம் இலக்கான இலட்சியத்தைத் தவற விடுகிறோம். சிலர் பொழுதுபோக்குடன் சேர்ந்து இலக்கையும் நினைவில் வைத்து இருக்கிறார்கள். ஆகையால் அவர்கள் இலட்சியத்தை அடைய முடியும். எனவே நான் கூறவருவது என்னவென்றால் பாடல் கேட்பது தவறல்ல (பொழுதுபோக்கு) பாடல் கேட்டாலும் இறங்கும் இடத்தை (இலட்சியம்) நினைவில் கொள்ளுங்கள்.

வேட்டைக்கு கூட்டிக்கொண்டு செல்லும் குதிரையின் கழுத்தில் மணியை கட்டி சென்றால், மணியோசை கேட்டு வேட்டை விலங்கு தப்பி விடும். எனவே குறிக்கோளை நோக்கி செல்லும் போது தேவையற்ற விஷயங்களை சிந்திக்காமல், தகுதி-யை வளர்த்து வாழ்க்கையில் வெற்றி பெறுங்கள்.

## ***Mathematics in Archaeology***

The post-second war period (1955-1975) has been a scientific revolution in the advance of Prehistory and Protohistory: advanced field techniques and archaeological data recording, new disciplines (archeometry, geoarchaeology, palaeoenvironmental reconstitutions, quantitative and computational archaeology, etc.), involving major methodological and technical advances, which have diffused in the whole archaeological field.

In his book, *Analytical Archaeology*, Clarke (1968:512-513) noted three ways in which mathematical concepts are relevant to what he calls archaeological ideology: "(i) The need for entitation and quantification ... using ... descriptive statistics"; "(ii) The need to handle relationship concepts ... using analytical inductive statistics"; "(iii) The need to handle the regularities in complex data in terms of isomorphic systems of symbols arranged in axiomatic schemes, models, or calculi". A similar theme was iterated by Cowgill (1986:369) in a review article titled. *Archaeological Applications of Mathematical and Formal Methods*. There he referred to three broad categories comprised of "archaeological observations, analytical methods, and sociocultural theory", but then observed that although "some theory is expressed directly in mathematical terms ... the vast majority of archaeological uses of mathematical and formal techniques pertain to the domain of analytical methods or to the design of data collection". And in a recent text, *Anthropological Archaeology*, Gibbon (1984:383), though espousing the value of formal and axiomatically expressed theory in archaeological reasoning, bluntly commented that "No theory within archaeology has ever been formalized". Diametrically opposed conclusions can be drawn from these comments: (1) the lack of formalized theory is indicative of the immaturity of archaeology as a science, or (2) formalized theory is largely irrelevant to the development of archaeological theory.

Mathematics is a highly structured form of reasoning that proceeds from assumption to deduction to conclusion. It employs an abstract, axiomatic, formal language that is "content free." That is, mathematics can be about "anything" or "nothing," depending on how it is used. Statistics is a branch of mathematical reasoning that deals with the logic of inference under conditions of variability, uncertainty, and error. As Hacking puts it, ". . . the foundation of statistics is to state a set of principles which entail the validity of all correct statistical inference, and which do not imply that any fallacious inference is valid." Quantification, mathematics, and statistics have each played important roles in modern archaeology, but it is important to distinguish them carefully from one another. The terms cannot be used interchangeably; while in practice both statistics and mathematics are contingent upon measurement, measurement itself in many applied settings is strictly ad hoc, and has no formal mathematical foundation beyond simple counting and arithmetic.

Mathematics is widely used in Archaeology and it represents an almost indispensable tool at any stage of archaeological procedures such as documentation, data recording during excavations, and digital archiving, just to mention some of the several phases in archaeological investigations. A crucial part of the archaeologists' work consists of dating findings and/or artifacts deposits. The deposits may be graves in a prehistoric cemetery and may contain artifacts such as pottery, jewellery or utensils that have been classified into types by considering their material, shape, style of decoration, etc. When archaeological deposits cannot be dated by deciphering inscriptions or applying physical or chemical techniques, the use of mathematical and statistical techniques is crucial for solving the problem of sequencing the archaeological sites in a chronological order. A fundamental ordering problem of particular interest to archaeologists is the so-called seriation problem. By asking to find the best enumeration orders of a set of elements according to a given correlation function, so that elements with higher similarity are closer in the resulting sequence, the seriation problem consists of ordering the archaeological sites in a chronological order. It is based on the concept that archaeological units having similar contents, as determined by the arrangement into types, should be closer in time than deposits with dissimilar findings.

Reconstruction of the original aspect of ancient floors is a classical problem for archaeologists and restoration architects. Via the mathematical theory of periodic tessellations, the original aspect of floors compatible with the fragments can be reconstructed.

Archaeologists use math a lot in their work, as it is important to measure everything and calculate weights, diameters, and distances. All kinds of estimates are based on mathematical equations. In addition, from any one site, archaeologists could excavate thousands of artifacts.

In archaeology, Geometric morphometrics are used to examine the shape variations or standardization of artifacts to answer questions about typological and technological changes. Most applications are for stone tools to measure variations in morphology between different assemblage groups to understand their functions.

Province refers to where an artifact was found with in a rock layer. Archaeologists use trigonometry to label the rock layers and divide them into numbered plots so an artefact can be easily identified and dated.

There are many more ways math and trigonometry play a role in archaeology.
